

20 Years In Developing C3D

From ASCON Math's Division
to C3D Labs spin-off

C3D Labs

an ASCON company

Who We Are?

Leading CAD/AEC/PLM developer
and integrator in Russia and CIS region
since 1989

C3D Labs
an **ASCON** company

27 Years On the Market

ASCON's software is used by 10K enterprises,
Commercial licenses exceeds 80K seats

C3D Labs

an ASCON company

Key Industries

Auto components
Heavy Machinery
Aerospace and Defense
Agricultural Machinery
Oil Production
Power Generation
Manufacturing and Construction
Engineering Industries
Electronics

These Companies Trust Us

What Idea Has It Started With?

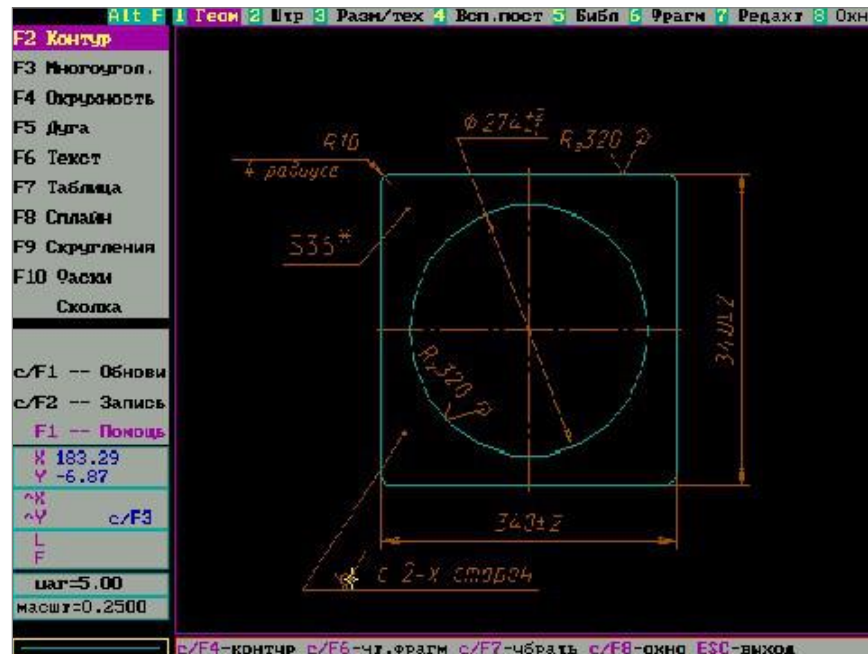

1986: 2D software for USSR defense industry

C3D Labs
an **ASCON** company

Our First CAD Products

KOMPAS-Graphic (1989)

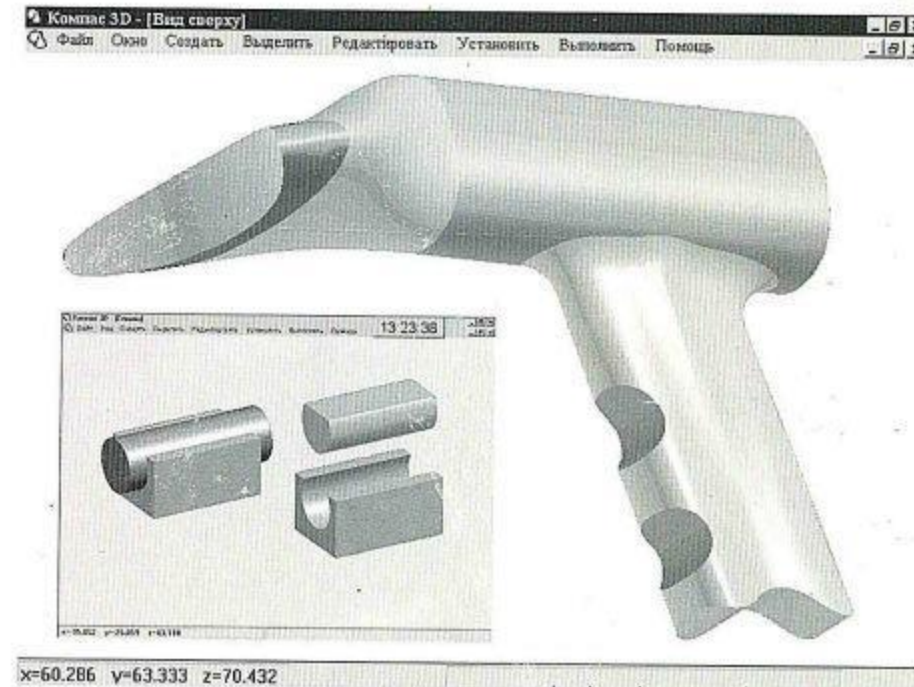

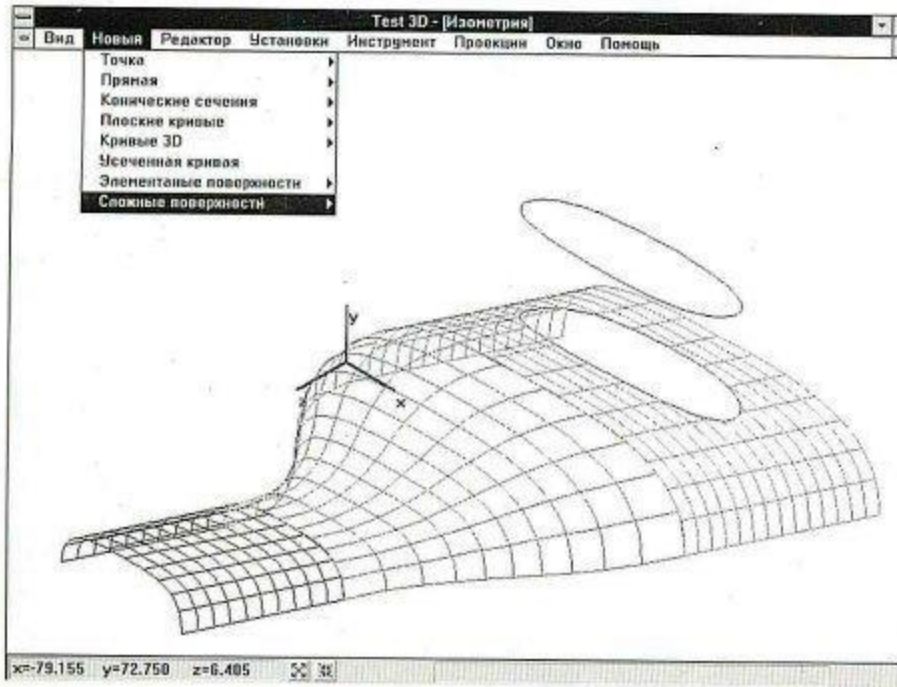

C3D Labs

an ASCON company

Our First CAD Products

1993: research project with Control Data System's

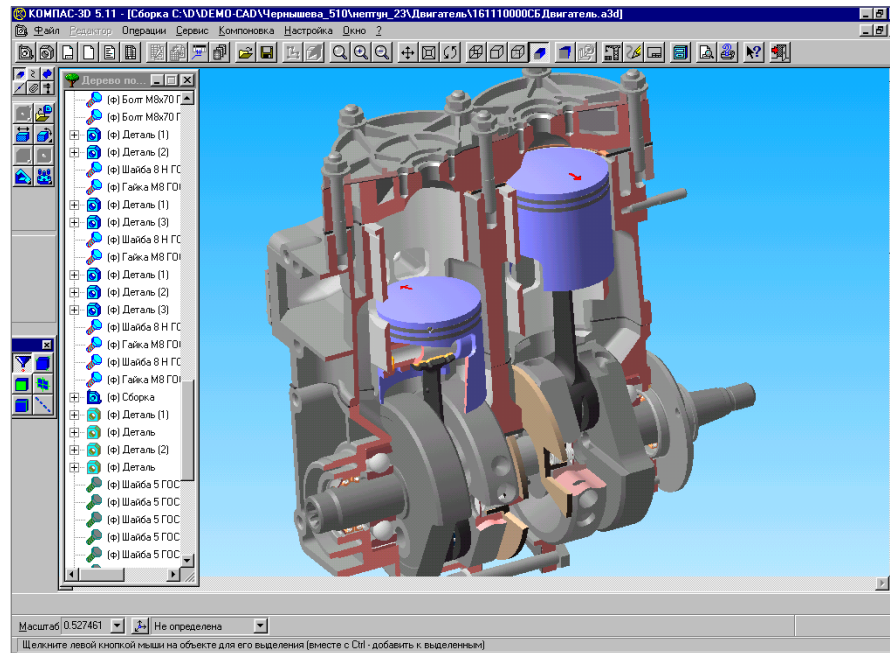

C3D Labs

an ASCON company

Our First CAD Products

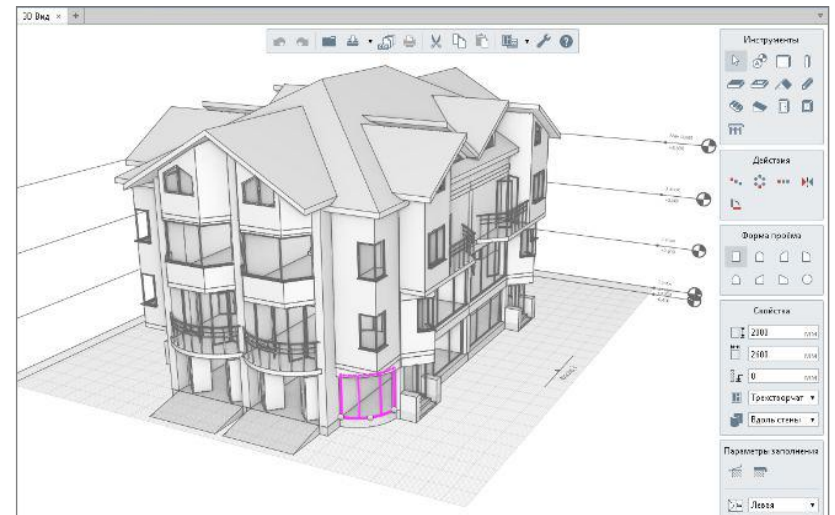

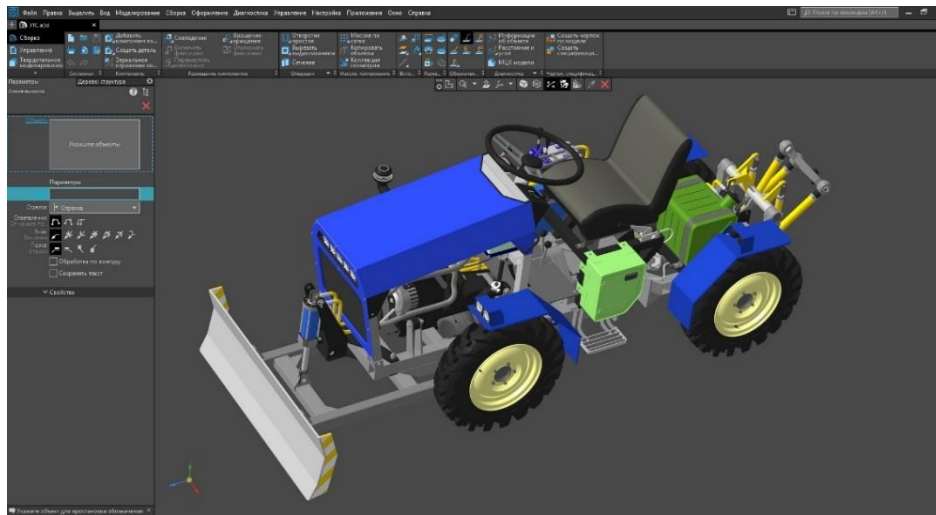

KOMPAS-3D (2000)

C3D Labs
an ASCON company

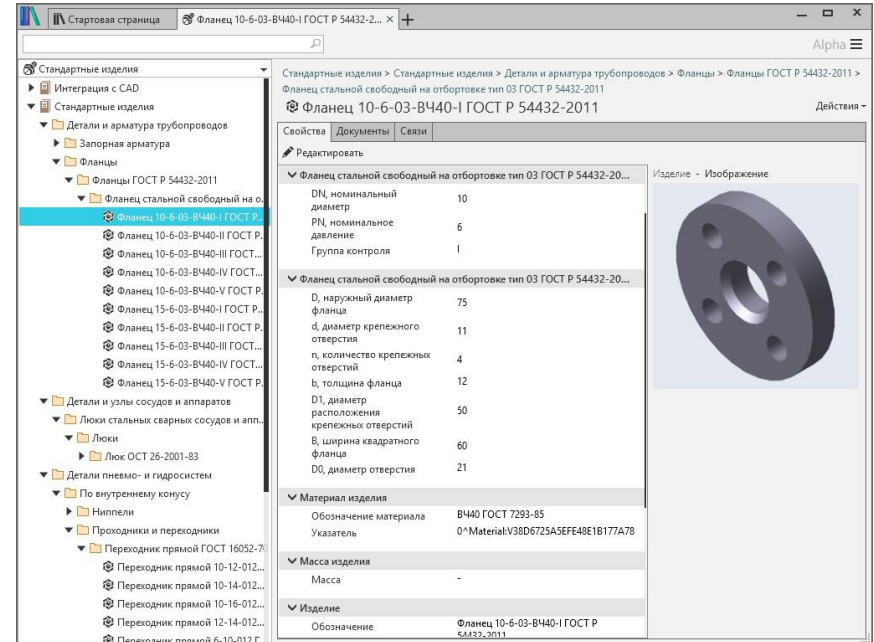

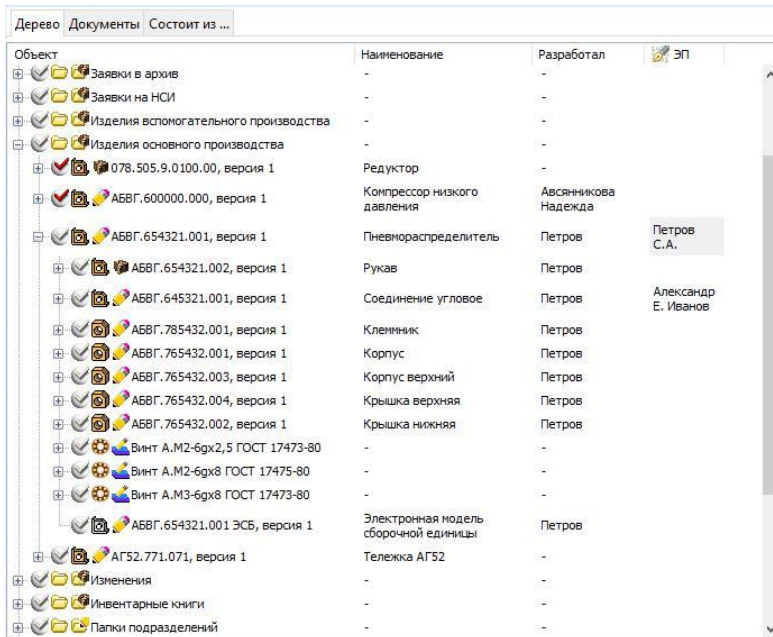

ASCON 2017

KOMPAS-3D V17 and Renga AEC BIM

ASCON 2017

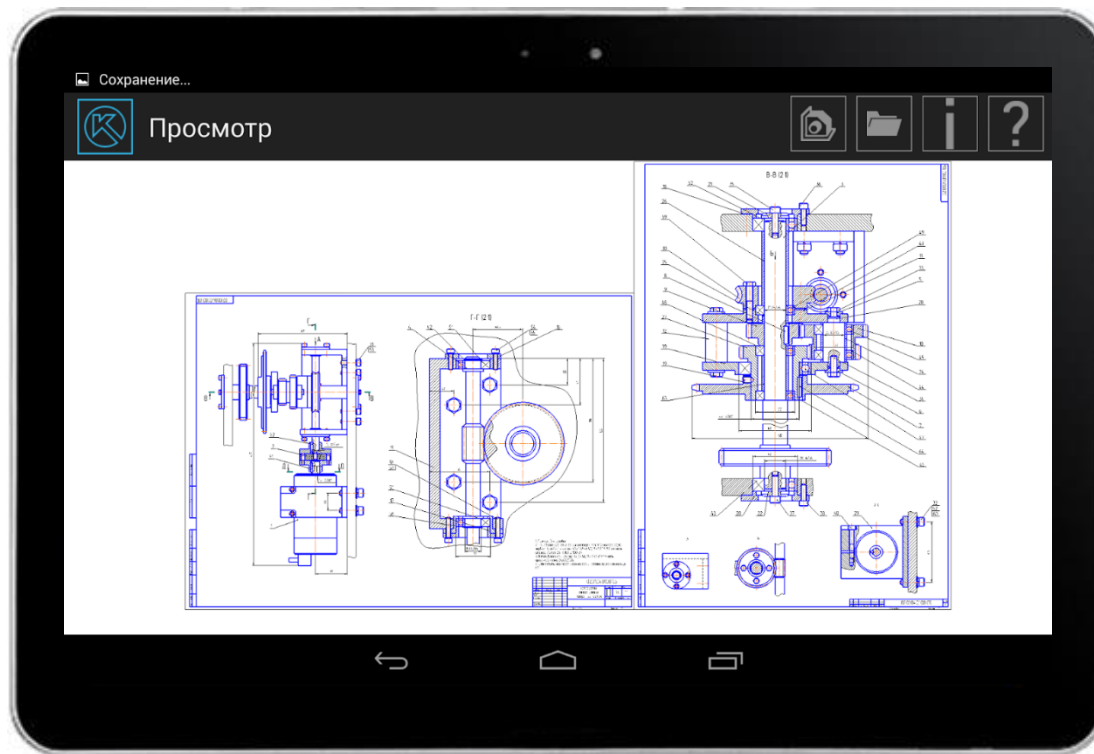

cPDM. More then 80% of our business (CIMdata survey)

C3D Labs
an ASCON company

ASCON Innovative Software

KOMPAS:24

C3D Labs
an ASCON company

ASCON Innovative Software

Machinator (Lego alike assembly kit)

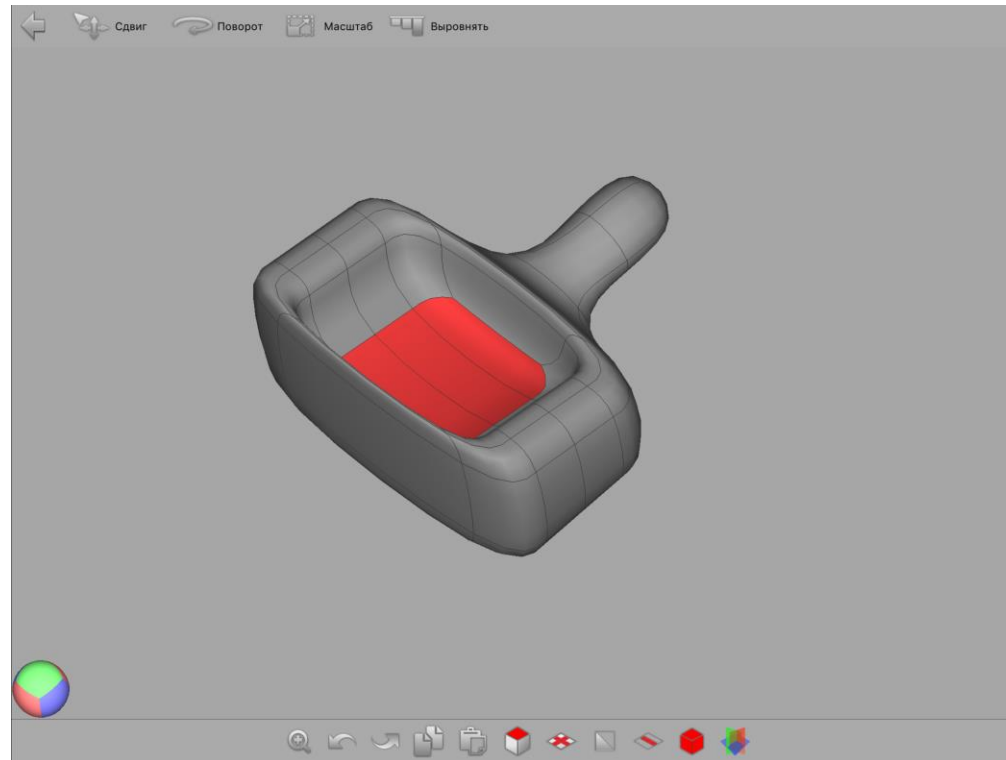

C3D Labs

an ASCON company

ASCON Innovative Software

Subdivformer

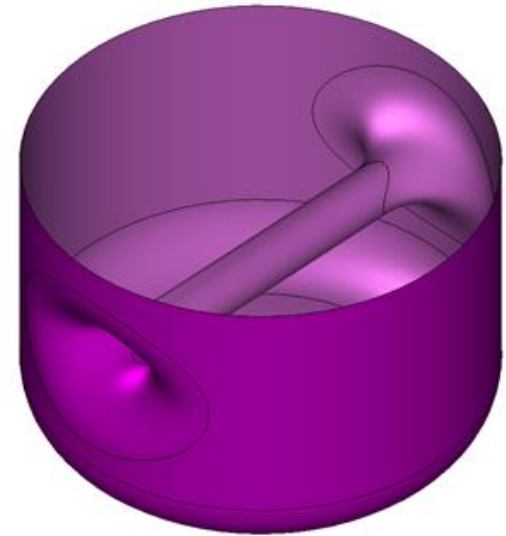

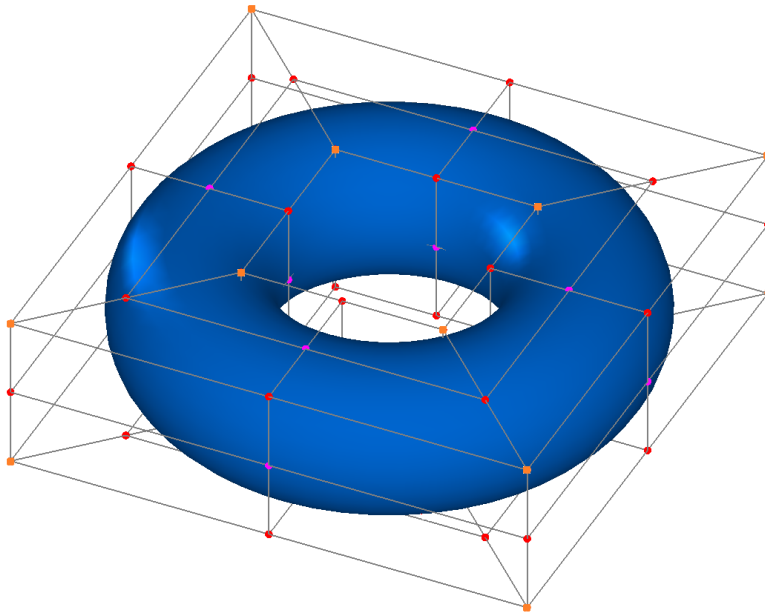

C3D Labs
an ASCON company

What Do All Have In Common?

Core Technology For Building 3D Models

It has been developing since 1995

C3D Labs

an ASCON company

A New Company Appearance

In 2012 the mathematical division of ASCON became a spin-off company to develop and promote the geometric kernel named C3D

The same year **C3D Labs** has acquired a status of IT cluster resident in Skolkovo, Russia's state development office park

C3D Labs

an ASCON company

C3D Labs

Beginning with 7 people, now the company has
20 specialists with 6 PhDs among them

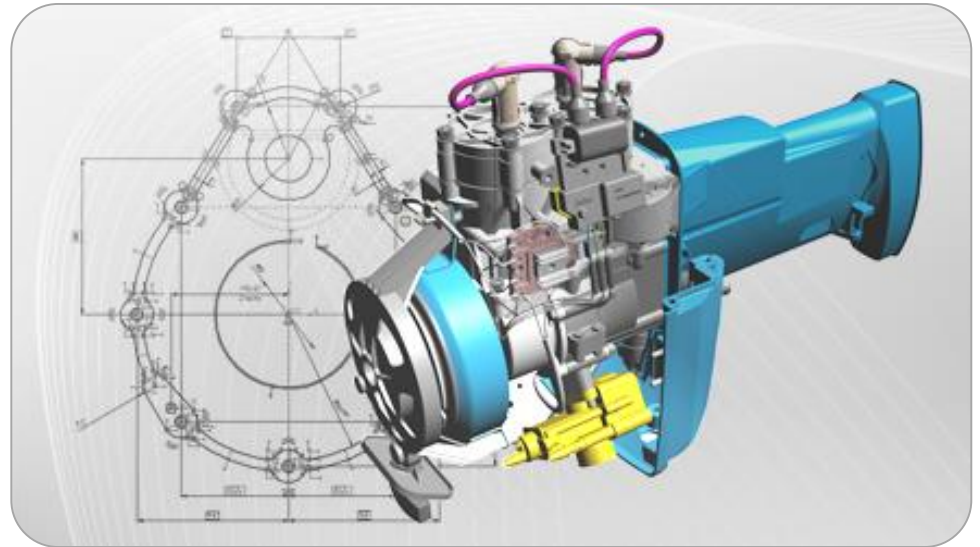

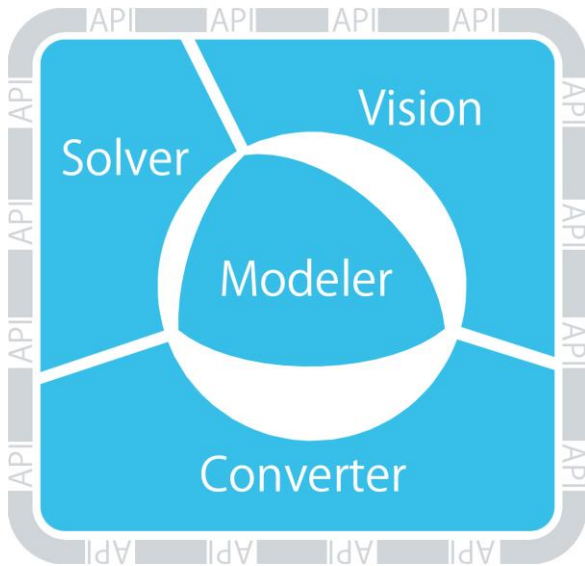

C3D Labs

an ASCON company

Company Products

C3D Modeling Toolkit: 4 in 1

It is all you need for CAD development

C3D Labs

an **ASCONE** company

Current Customers

20+ developers of CAD systems
and educational institutions worldwide

International Partners

Certified developers and authorized resellers
help to establish good relations with our customers

C3D Labs
an ASCON company

Our Goal

Be always in touch with customers and partners

C3D Labs
an ASCON company

Thank You!

Max Bogdanov,
CEO of ASCON Group
