

C3D University Program

To Improve Your Research and Development

C3D University Program

Continuing ASCON Traditions

More than 1700 universities use KOMPAS-3D

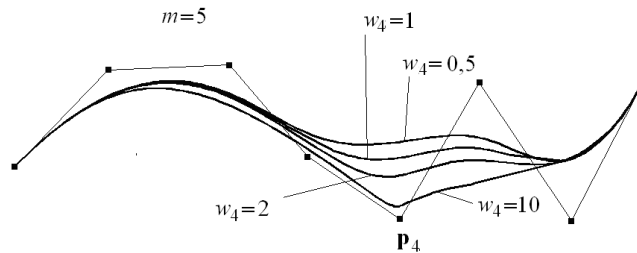

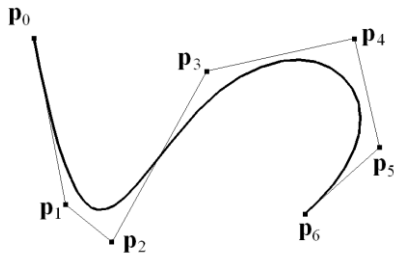

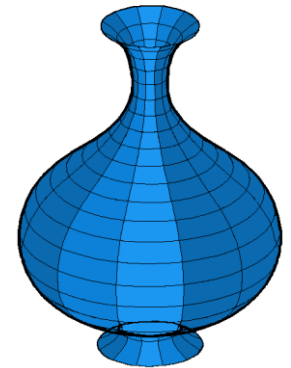

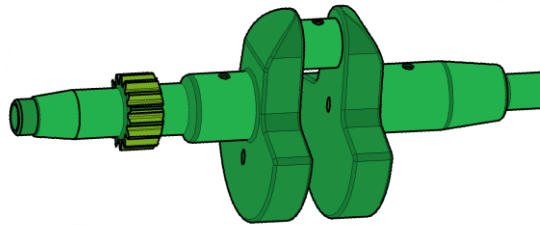

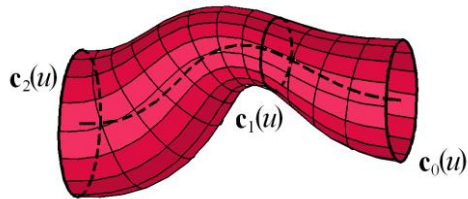

C3D Labs

an ASCON company

C3D University Program

Opens Up New Opportunities in Many Areas

Familiarizing with geometric modeling

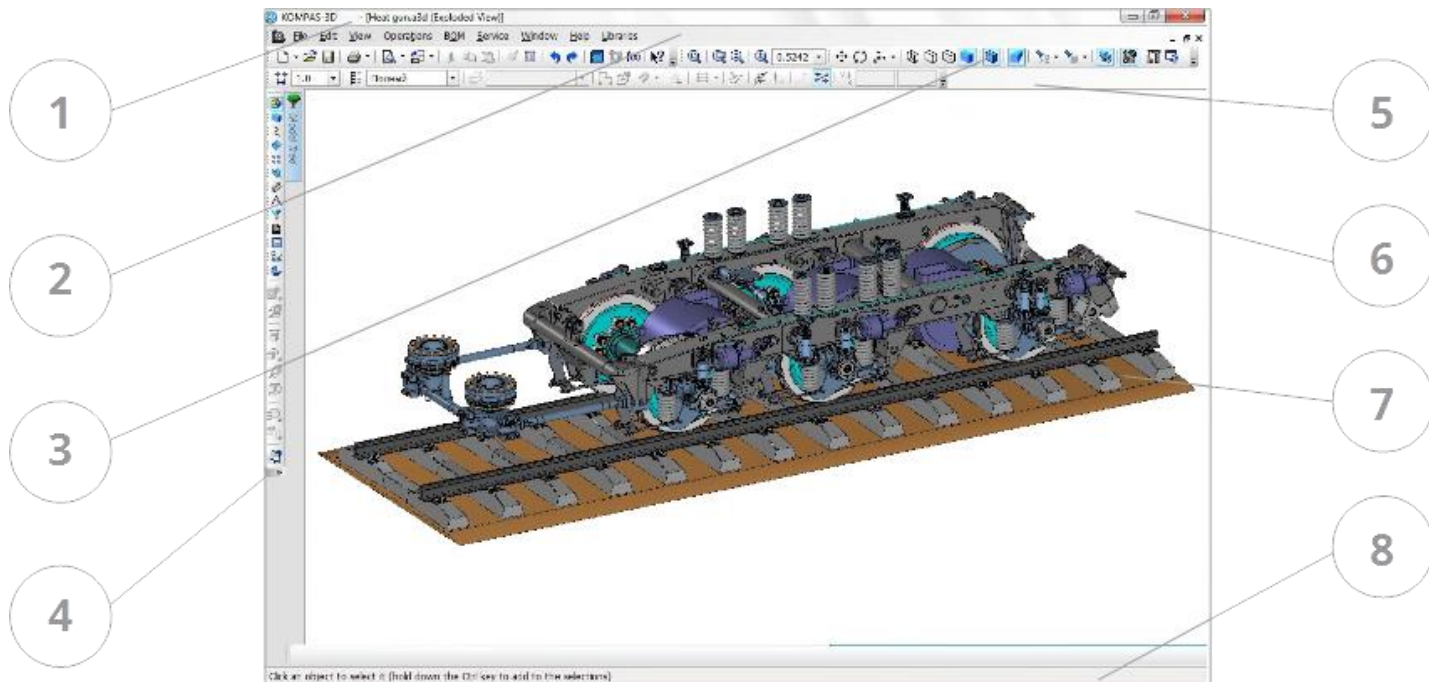

C3D Labs

an ASCON company

C3D University Program

Opens Up New Opportunities in Many Areas

Studying the structure
of typical CAD

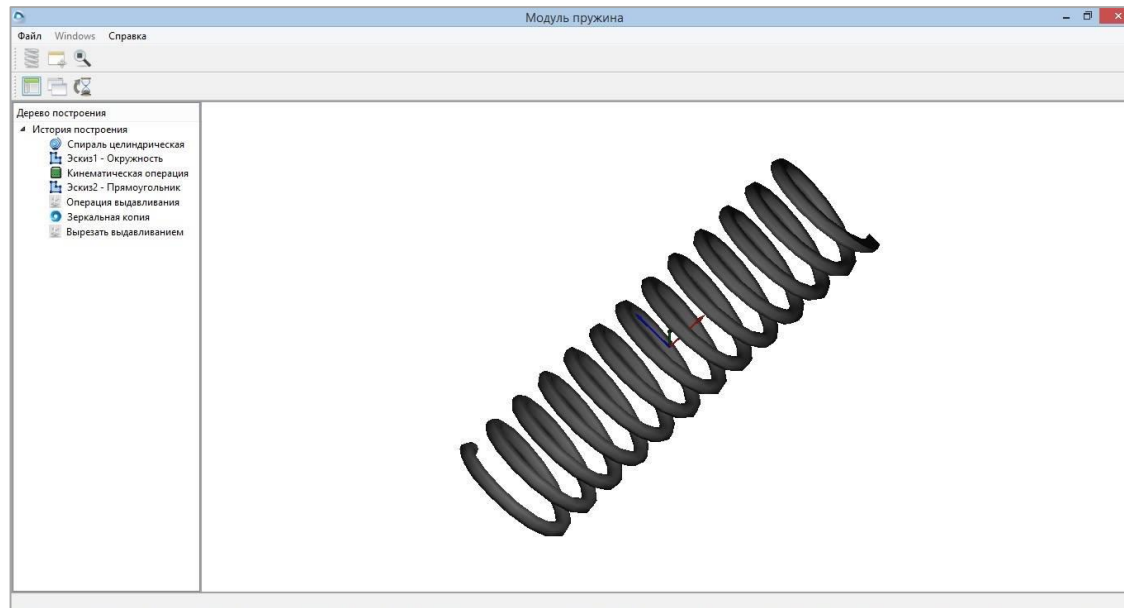

C3D Labs
an ASCON company

C3D University Program

Opens Up New Opportunities in Many Areas

Completing graduate qualification works

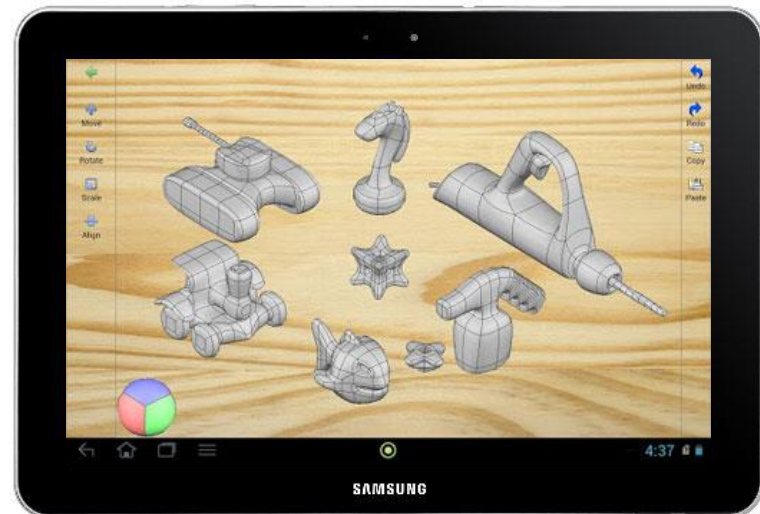

C3D Labs

an ASCON company

C3D University Program

Opens Up New Opportunities in Many Areas

Commercial IT products development

C3D Labs

an ASCON company

C3D University Program

Licensing Terms

Free of charge to Universities
No limits on developer seats
Only support fee

+ Royalty for commercial software development

Good Option for Universities

The Book Geometric Modeling by Nikolay Golovanov

AVAILABLE ON

amazon.com.

C3D Labs

an ASCON company

Program Participants

National Research
Ogarev State University
of Mordovia

Saint Petersburg
State Institute of Technology

Voronezh State
Technical University

Taras Shevchenko
State University
of Transnistria

Ulyanovsk State
Technical University

National Research
Tomsk Polytechnic
University

C3D Labs

an ASCON company

C3D University Program

Projects

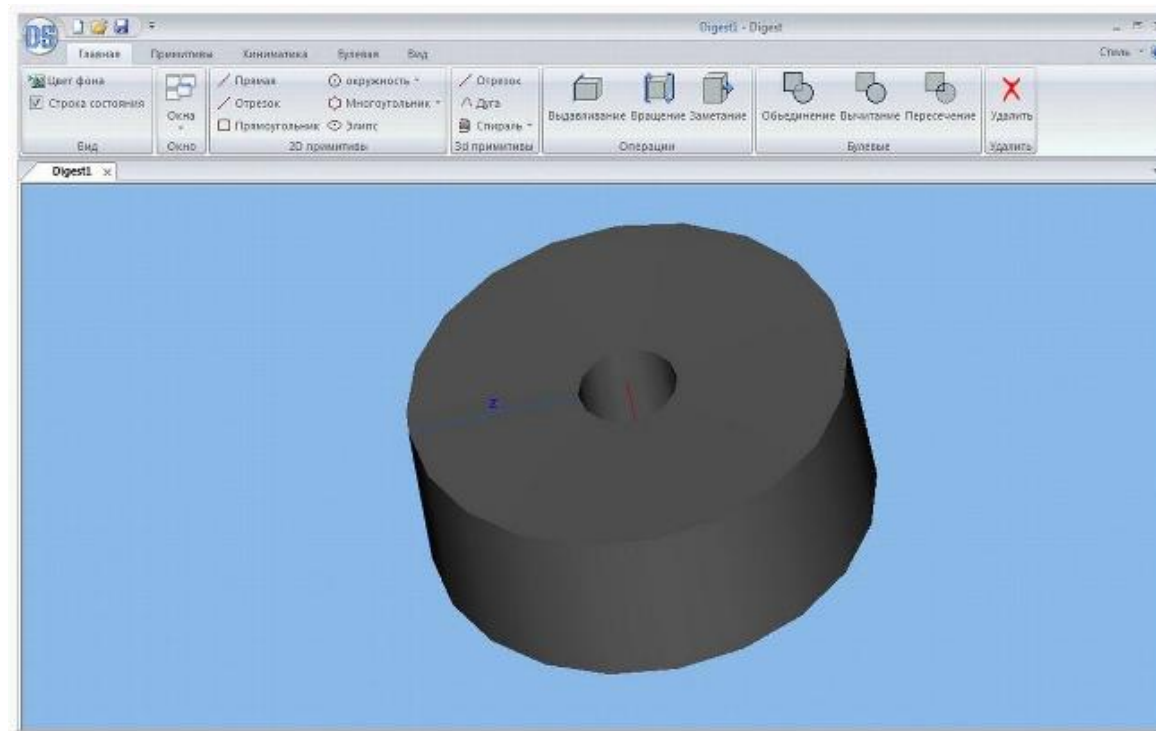

C3D Labs

an ASCON company

Projects on C3D

Application for Making Boolean and Kinematic Operations

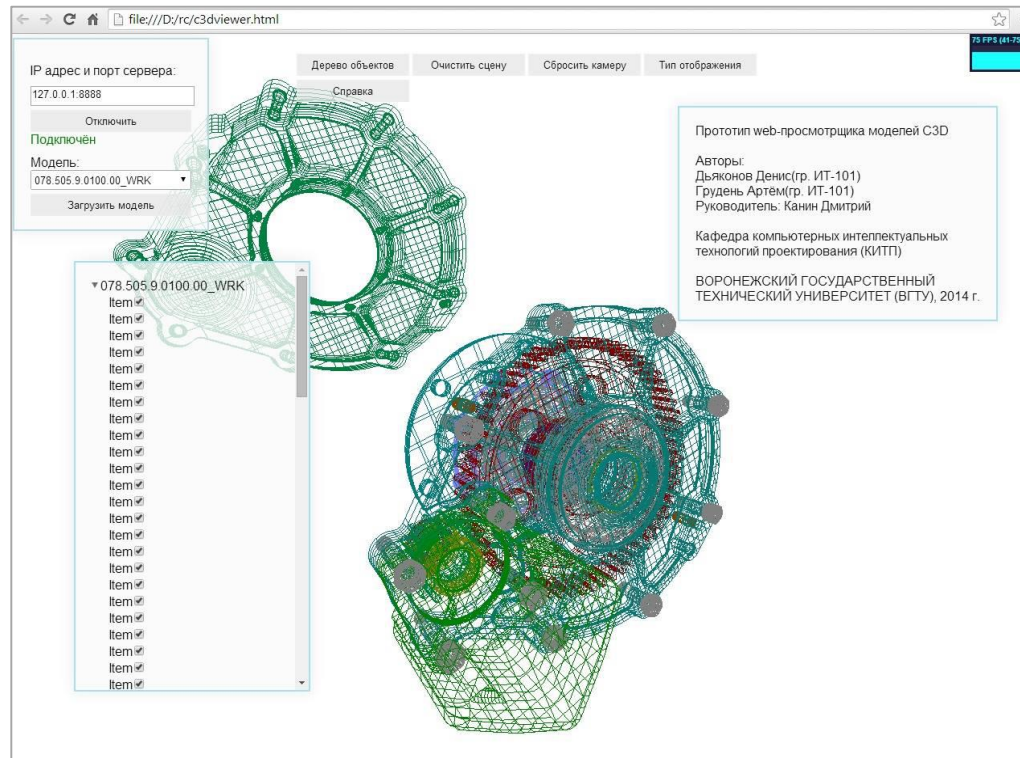

C3D Labs
an ASCON company

Student project

Projects on C3D

Web Viewer of 3D Models

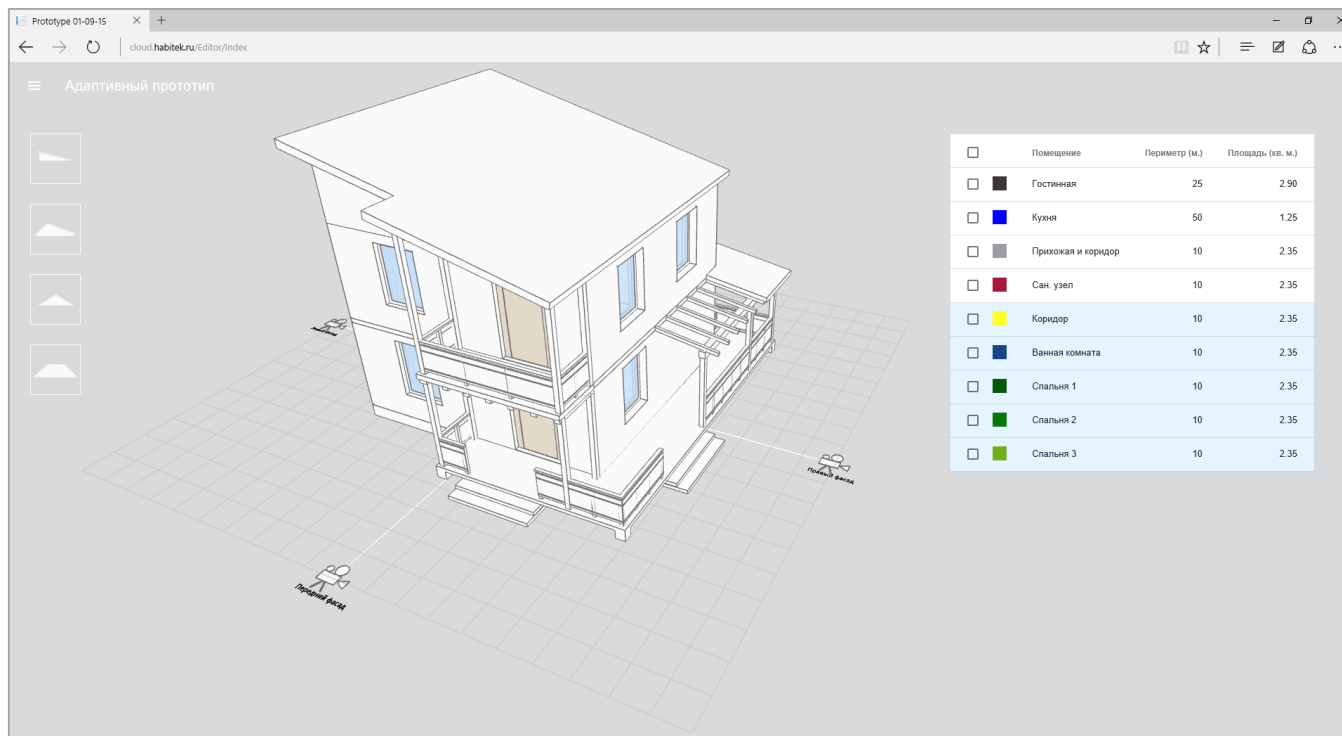

C3D Labs
an ASCON company

Student project

Projects on C3D

HABITEK, Cloud-Based BIM

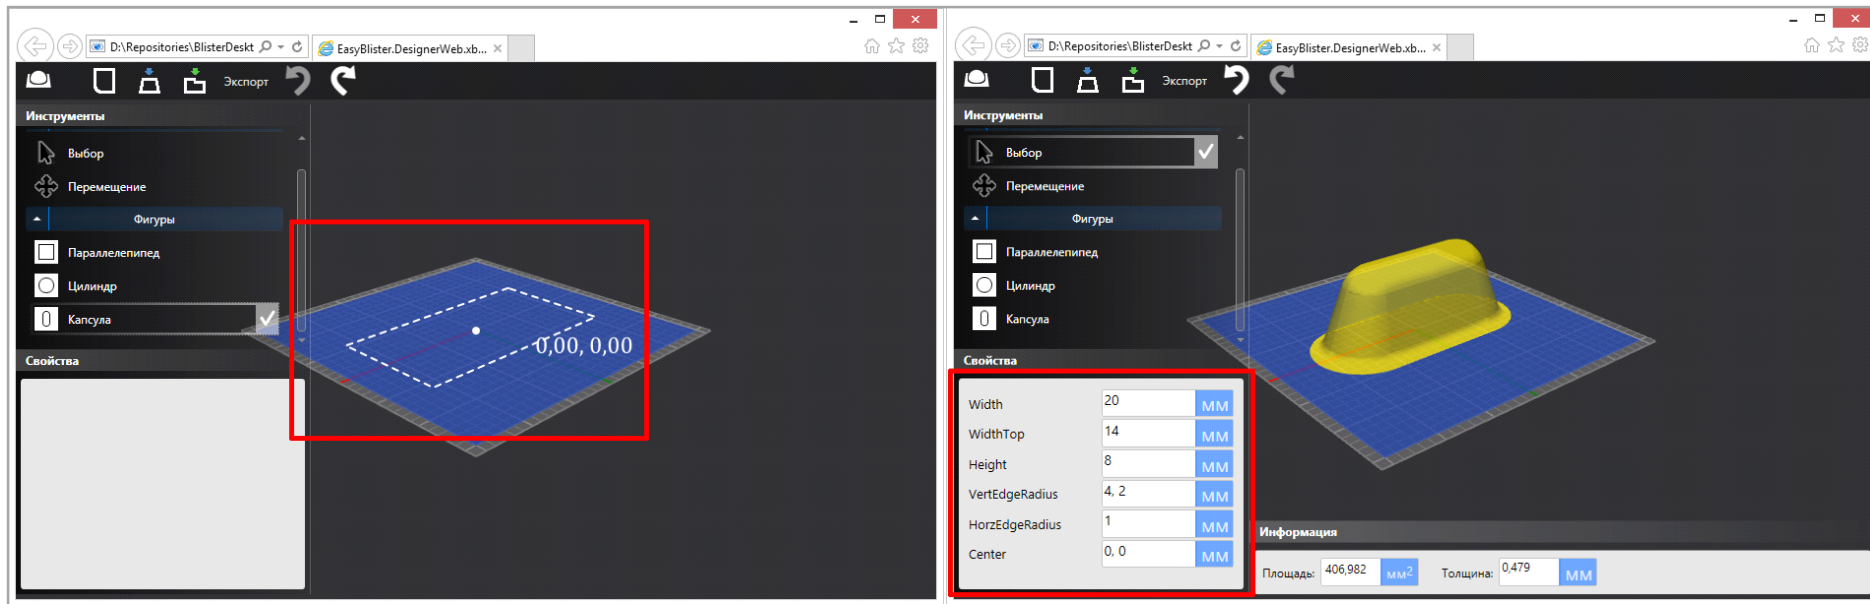

C3D Labs
an ASCON company

Bureau of
Environmental Design

Projects on C3D

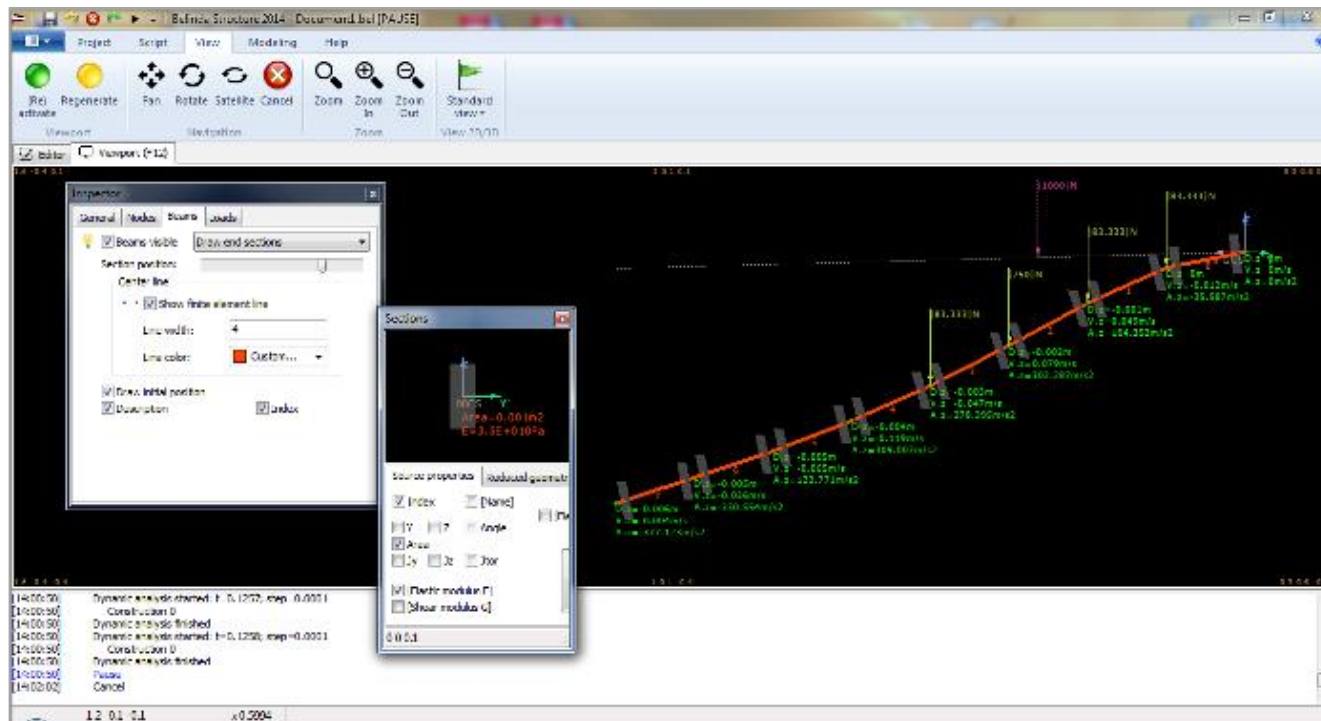

Web-Based CAD for Modeling Blister Packs in 3D

Graduate work of student

Projects on C3D

Belinda Structure for Engineering Analysis and Design

C3D Labs
an ASCON company

Dynamics & Structures, Lab

Thank You!
